The Honorable Bill Walker
Governor of Alaska
P.O. Box 110001
Juneau, Alaska 99811-0001

Dear Governor Walker,

In accordance to AO 269, written findings and recommendations to the Governor from the Municipal Advisory Gas Project Review Board are to be submitted by December 15, 2015.

Due to the timeline and developments in the Alaska gasline project over the last couple of months, including changes in Board membership, the Municipal Advisory Gas Project Review Board is requesting an extension to the annual report deadline, suggesting January 15, 2016.

The Board has received detailed updates and presentations from Alaska Gasline Development Corporation and the Administration over the last six months in regard to the Alaska gasline project. The annual report will reflect the Board's findings and recommendations regarding Alaska communities both during construction and subsequently during the project's operational phase. We respectfully request this extension to finish discussions on the most recent developments.

If you have any questions regarding this request, please contact Stephanie Alexander, Municipal Advisory Gas Project Review Board Liaison, at 465-6829 or Stephanie.Alexander@alaska.gov.

Sincerely,

Randall J. Hoffbeck
Commissioner
