Dr. Atul Arya

Senior Vice President, Energy Insight, IHS Inc.

Dr. Atul Arya, Senior Vice President and Leader, IHS Energy, has overall responsibility for setting the strategic direction and leading the research, consulting, and commercial operations for the business. IHS Energy has an international presence, with over 450 colleagues and office locations on five continents. Legacy product brands including CERA, Herold, Purvin & Gertz, McCloskey, and EER are now part of the IHS Energy business. In addition, Dr. Arya also oversees the Research & Analysis function for all of IHS.

He has over 25 years of leadership experience in the energy industry, including senior posts with BP. His international career spans a diverse array of energy fields from strategy development and business planning to field operations and technology commercialization. He has led development in solar energy as well as oil and gas. Early in his career, Dr. Arya was a consultant in the oil and gas sector in the United States, Europe, and the Middle East. He is a member of the Global Agenda Council on New Energy Architecture with the World Economic Forum and an Advisory Board member for the National Council for Atmospheric Research in Boulder, Colorado. Dr. Arya holds a doctorate from the University of Texas at Austin.
