- (c) As used in this section, "gaming item" includes pull-tabs, equipment, supplies, and other items purchased in connection with gaming activity.

15 AAC 160.310. Review of financial records

- (a) The review of an operator's financial records required under [AS 05.15.165\(e\)](#) must be performed by a certified public accountant licensed under [AS 08.04](#). Multiple-beneficiary permittees authorized under [AS 05.15.145](#) are subject to the same reporting requirements as operators under this section.
- (b) An operator or a multiple-beneficiary permittee shall have prepared financial statements that present financial position, results of operations and cash flows of the gaming operations, and notes to the financial statements in accordance with generally accepted accounting principles.
- (c) In addition to the financial statements required by (b) of this section, information required in (d) and (e) of this section shall be presented in either the notes to the financial statements or as supplementary information as appropriate. Information presented as supplementary information shall be subjected to the inquiry and analytical procedures applied in the review of the basic financial statements.
- (d) Notes to the financial statements in (c) of this section must include the following disclosures:
 - (1) method of calculating adjusted gross income;
 - (2) inventory method concerning bingo and pull-tab supplies and opened and unopened series of pull-tabs.

(e) Supplementary information in (c) of this section must include the following material:

(1) explanation of differences, if any, in methods of financial reporting and reports prepared for this state and the permittees, and reconciliation of any differences in the statement of operations and annual report required under [AS 05.15.083\(b\)](#);

(2) itemized schedule by the permittee showing gross receipts, prizes, taxes, adjusted gross income, payments of net proceeds, and authorized expenses excluding operator fees;

(3) itemized schedule of authorized game related expenses, if not itemized separately in the statement of operations, or in the schedule under (2) of this subsection.

15 AAC 160.320. Demand upon bond or security

Except if under appeal with the department, the department will make demand on a bond or security if an operator refuses to pay an amount due to the department, including taxes, fees, penalties, and interest, or if after demand by an authorizing permittee, an operator refuses to pay otherwise undisputed net proceeds due to the authorizing permittee, the department will make demand on the bond or security posted by the operator under [AS 05.15.122\(b\)\(5\)](#).

15 AAC 160.330. Release of bond or security

(a) If the department determines that the requirements of (b) of this section have been met and two years have passed since the final day the operator conducted gaming activity on behalf of an authorized permittee, the department will release the remainder of a bond or security posted under [AS 05.15.122\(b\)\(5\)](#) in the following situations:

(1) the operator's license expired or was denied, suspended, or revoked;

(2) the operator has requested in writing to the department to release the bond or security.

(b) Before the department releases a bond or security under (a) of this section, the department must first determine that

(1) the operator has filed all reports due under [AS 05.15.083](#), 05.15.087, and 05.15.165(e) and has paid all amounts due the state under [AS 05.15](#); and

(2) repealed 11/10/96;

(3) a claim has not been filed in a court by a permittee against the bond.

(c) The department will, in its discretion, waive the two-year requirement in (a) of this section if each authorizing permittee covered by the bond or security certifies in writing that the permittee is not

(1) due any net proceeds from the operator; and

(2) aware of any violations of [AS 05.15](#) or this chapter by the operator that have not previously been reported to the department.

Article 3

Vendors

15 AAC 160.340. Vendor contracts

(a) If a permittee enters into a contract described under [AS 05.15.188](#), the permittee shall submit a copy of the contract to the department for inspection as allowed under [AS 05.15.188](#)(f).

(b) In addition to the requirements under [AS 05.15.188](#), a contract between a permittee and a vendor must contain

(1) the beverage dispensary license number or package store license number of the vendor;

(2) a means for determining the amount of compensation to be paid to the vendor under [AS 05.15.188](#)(i);

(3) a plan for disposing of the pull-tab series if the permittee or the vendor is prohibited from selling pull-tabs; and (4) a method for handling receipts for prizes required under [AS 05.15.187](#)(i).

15 AAC 160.350. Registered vendor compensation

(a) A permittee may not pay, and a registered vendor may not accept permittee payment of, any expense incurred by the registered vendor that would cause the permittee to receive, in violation of [AS 05.15.188](#), less than 70 percent of the ideal net of a pull-tab game sold to the vendor. A permittee may not engage in a sales transaction under [AS 05.15](#) or this chapter with a person, whether licensed or not, who sells or provides gaming supplies or equipment to a third party, if the same sale made directly to the third party would result in a prohibited conflict of interest under [AS 05.15](#) or this chapter.

(b) A registered vendor may not participate in a purchase inducement program prohibited by [15 AAC 160.942](#) or accept, as a gift, as a loan, or for rent at less than fair market value, a pull-tab point-of-sale system or pull-tab dispensing device from a third party, or from a distributor who supplies pull-tab games for a permittee for which the registered vendor sells pull-tab games. A registered vendor may not purchase, rent, or otherwise receive a pull-tab point-of-sale system or pull-tab dispensing device from a permittee even if the registered vendor provides fair market value for the system or device.

(c) A permittee may sell pull-tabs in premises that otherwise qualify as a vendor location, without the business in that premises becoming a registered vendor, and without the permittee receiving the payment required under [AS 05.15.188\(i\)](#) for any pull-tab series that the permittee sells, if

(1) the business is not paid or provided compensation other than lease payments;

(2) the lease is executed in accordance with [15 AAC 160.935\(c\)](#);

(3) lease payments do not exceed the amount calculated under [15 AAC 160.935\(c\)\(2\)](#);

(4) the sale of pull-tabs is conducted in a space separate and distinct from any area where alcoholic beverages are stored or dispensed;

(5) the sale of pull-tabs is conducted by employees or volunteers of the permittee; and

(6) the department has issued a permit for that location.

15 AAC 160.360. Vendor sales areas

A vendor may sell pull-tabs only in an area of an establishment that excludes a person under the age of 21 years unless the person is accompanied by a parent, guardian, or spouse who has attained the age of 21 years.

Article 4

Multiple-Beneficiary Permits and Self-Directed Permits

15 AAC 160.361. Multiple-beneficiary permits

- (a) A municipality or qualified organization must obtain a permit under [AS 05.15.020](#) before applying to become a member of a multiple-beneficiary permittee.
- (b) A multiple-beneficiary permittee with fewer than six members may add an additional member by filing an amended application with the department, if the addition of the new member does not result in the multiple-beneficiary permit cumulatively having more than six members in a calendar year.
- (c) An application for a multiple-beneficiary permit must include a copy of the joint venture agreement among the members, including the percentage of participation in gross receipts for each member.
- (d) A multiple-beneficiary permittee shall allocate taxes, prizes, and expenses in the proportion that it allocates gross receipts among its members, but no member may be allocated a sales tax liability for sales that were not subject to a sales tax.
- (e) A multiple-beneficiary permittee may allocate gross receipts, taxes, prizes or expenses to a new member only from the date that the department approves the addition of the new member.
- (f) A multiple-beneficiary permittee may not allocate to an individual member permittee more than the annual prize limit for a municipality or qualified organization under [AS 05.15.180](#)(g) or [15 AAC 160.600](#)(a).
- (g) A multiple-beneficiary permittee shall pay net proceeds to its member permittees on a quarterly basis no later than the end of the month following the end of each calendar quarter.
- (h) A multiple-beneficiary permittee may not spend or otherwise dedicate net proceeds except to distribute the net proceeds to its member permittees.

(i) A multiple-beneficiary permittee or its member permittees may not sublease gaming facilities to another multiple-beneficiary permittee or its member permittees at a price higher than that paid by the multiple-beneficiary permittee.

(j) The results of an action taken against a multiple-beneficiary permittee shall apply to the individual permits of those members of the multiple-beneficiary permittee who were members at the time of the violation that was the subject of the action.

(k) The department shall notify the primary member in charge of a multiple-beneficiary permittee regarding a violation by one of its member permittees of [AS 05.15](#) or this chapter.

(l) Individual members of the multiple-beneficiary permittee shall jointly file the annual certified public accountant review required by [15 AAC 160.310\(a\)](#).

(m) Each member of a multiple-beneficiary permittee must be actively involved in the gaming activities conducted by the multiple-beneficiary permittee, including management oversight, policy setting, and authorization of expenditures.

(n) A multiple-beneficiary permittee may not contract with an operator.

15 AAC 160.363. Contributions, loans, and gifts

(a) For use in gaming, an entity that conducts gaming under a self-directed permit may

(1) make a capital contribution from a non-gaming source; and

(2) secure a loan or accept a gift that is not from a gaming source or from a person or entity that is not prohibited from participating in gaming under [AS 05.15.105](#).

(b) A member of a multiple-beneficiary permittee may make a capital contribution or loan from a non-gaming source to the multiple-beneficiary permittee.

(c) A multiple-beneficiary permittee may

(1) accept a capital contribution of non-gaming funds from a member;

(2) secure a loan or accept a gift that is not from a gaming source or from a person or entity that is not prohibited from participating in gaming under [AS 05.15.105](#).

(d) A multiple-beneficiary permittee must notify the department within 10 days after the receipt of a capital contribution from a non-gaming source. The notice must include the name of the contributor, the amount of the contribution, and the date of the contribution.

(e) Except for a loan from a financial institution or a similar entity engaged in the business of making loans, a loan in any amount

(1) must be set out in a written loan agreement provided to the department; and

(2) may not provide for interest in excess of five percentage points above the annual rate charged member banks for advances by the 12th Federal Reserve District on the day that the loan commitment is made.

(f) A permittee or multiple-beneficiary permittee shall notify the department within 10 days of the receipt of a gift, other than a donated prize with a value less than \$1,000, for use in gaming. The notice must include the name of the donor, a description of the gift, the amount or fair market value of the gift, and a statement signed and dated by the donor that the gift is irrevocable.

(g) The use of proceeds from a contribution, loan, or gift to purchase assets or to pay for gaming expenses does not change the accounting required by this chapter for gross receipts and expenses of gaming activities. The use of a contribution, gift, or loan to make the requirement for dedication of net proceeds has no effect in the determination of whether the limitation of [AS 05.15.160](#) on expenses or the limitation of [AS 05.15](#) and this chapter on prizes has been exceeded.

15 AAC 160.365. Manager of gaming

(a) A multiple-beneficiary permittee, and a permittee that engages in pull-tab sales or bingo under a self-directed permit, must designate the person who is its manager of gaming as defined in [15 AAC 160.995](#), and must notify the department within 10 days of a designation of a new manager of gaming.

(b) Unless the presumption is rebutted by other evidence, an employee of a multiple-beneficiary permittee or a permittee is presumed to be a manager of gaming if the employee is exempt from [AS 23.10.050](#) - 23.10.150 (Alaska Wage

and Hour Act) under [AS 23.10.055](#)(9) for reasons other than being a salesman. A multiple-beneficiary permittee's or a permittee's designation of a person as its manager of gaming does not prevent the department from finding a different person to be the actual manager of gaming for the permittee.

(c) In determining who the manager of gaming is, the department will consider the totality of the circumstances, including the person's compensation from all gaming sources, and whether the person is an employee, makes policy, reports to the board of directors, reports to or interacts with the department, acts in a managerial or supervisory capacity, or supervises or evaluates employees who act in a managerial or supervisory capacity.

Article 5

Pull-Tab Games

15 AAC 160.370. Pull-tab manufacture

(a) Subject to [AS 05.15](#), a pull-tab manufactured, sold, or distributed in the state must comply with the

(1) Standards on Pull-Tabs of the North American Gaming Regulators Association, as amended as of October 20, 1998 and adopted by reference; and

(2) Pull-Tab Record-Keeping and Reporting Standards of the North American Gaming Regulators Association, dated May 11, 1994 and adopted by reference.

(b) Except as provided under (a) of this section, a pull-tab manufactured, sold, or distributed in the state must

(1) be manufactured so that it is impossible to identify whether it is a winning or losing pull-tab until it has been played by a player as intended:

(2) be manufactured using at least a two-ply paper stock construction so that the pull-tab is opaque;

(3) have an individual serial number and the name of the manufacturer conspicuously printed on the face or cover of the pull-tab; and

(4) display to the player how to open the pull-tab to determine the winning symbols or numbers.

(c) Each pull-tab within a pull-tab series must

(1) be of the same length, width, and thickness, not varying by more than 3/64 of an inch in any dimension; and

(2) be color coded if an individual serial number is repeated.

(d) A licensed pull-tab manufacturer shall establish its own method of game protection that allows the manufacturer and the department to determine, after the pull-tab has been played, the difference between an authentic winning pull-tab and a non-winning, altered, or forged pull-tab. The manufacturer shall submit to the department a letter explaining the method of game protection used and shall inform the department of any changes in its method of game protection.

15 AAC 160.380. Pull-tab series assembly, packaging, and flare cards

(a) A licensed pull-tab manufacturer shall assemble and package a pull-tab series so that a winning pull-tab or the approximate location of a winning pull-tab cannot be determined before the pull-tab has been played by a player.

(b) A winning pull-tab must be distributed randomly among all other pull-tabs in its series.

(c) A pull-tab series must be packaged and clearly marked on the outside with the name of the licensed pull-tab manufacturer, the pull-tab serial number, and the name of the pull-tab game.

(d) If a pull-tab series is packaged in more than one container, the entire series of individual pull-tabs must be thoroughly mixed and distributed evenly among the containers so that a winning pull-tab, the approximate location of a winning pull-tab, or a concentration of winning pull-tabs cannot be determined before the pull-tab has been played by a player.

(e) With each pull-tab series, and except as provided in

(f) of this section, a pull-tab manufacturer shall include a flare card containing

(1) the name or registered trademark of the manufacturer;

(2) the name of the pull-tab series;

- (3) the serial number of the pull-tab series;
 - (4) the number of pull-tabs in the series;
 - (5) the prize structure, including the number of winning pull-tabs in the series for each prize;
 - (6) the winning symbols or numbers for each prize in the series; and
 - (7) the price per pull-tab.
- (f) A pull-tab manufacturer may have a seal card serve as a flare card in a pull-tab series, if the seal card meets the requirements of (e) of this section, [15 AAC 160.400](#), and [15 AAC 160.410](#) for a flare card.

15 AAC 160.390. Failure to comply

The department will refuse to allow a pull-tab series to be manufactured, sold, or distributed in the state if the series does not comply with [AS 05.15](#) or this chapter, including the standards on pull-tabs of the North American Gaming Regulators Association, as amended from time to time.

15 AAC 160.400. State identification stamps

(a) The department will issue to a licensed pull-tab manufacturer a set of state identification stamps, imprinted with the same unique state identification number, to be used for identifying and tracking the sale and distribution of a series of pull-tabs.

(b) If a pull-tab series is available to the public for play, the accompanying flare card containing the state identification stamp must be displayed so that the flare card and state identification stamp are clearly visible to the gaming public. The flare card and state identification stamp must be displayed at all times while the pull-tab series is available to the public for play and must be removed when the series has been played out or removed from play for any reason.

15 AAC 160.410. Manufacturer distribution

(a) A licensed pull-tab manufacturer may distribute only those pull-tabs in this state that the manufacturer designed, constructed, assembled, and packaged.

(b) A licensed pull-tab manufacturer may not distribute a pull-tab series in this state to a licensed pull-tab distributor unless the manufacturer has

(1) affixed a state identification stamp on the face of the flare card accompanying the series of pull-tabs;

(2) included with the pull-tab series the remaining state identification labels from the set for use by the permittee, distributor, or operator, in accordance with other provisions of this chapter; and

(3) recorded the state identification number as required under this chapter.

(c) Repealed 6/22/2008.

(d) A licensed pull-tab manufacturer shall affix a packing slip outside of a shipment of pull-tabs to be shipped in this state. The packing slip must contain

(1) the name of the licensed pull-tab manufacturer;

(2) the pull-tab serial number;

(3) the date of packaging of the series;

(4) the name or identification of the person who packaged the shipment; and

(5) the state identification number.

15 AAC 160.420. Distributor distribution

(a) A pull-tab series distributed in this state by a licensed pull-tab distributor must be accompanied by a written invoice. The invoice must include the

(1) name and form number of the series;

(2) pull-tab serial number;

(3) state identification stamp number;

(4) distribution date;

(5) name and permit number or license number of the permittee, operator, or distributor who purchased the series;

(6) amount charged for the series;

(7) face amount of any coins or currency included with the series; and

(8) amount of pull-tab tax required under [AS 05.15.184](#), except when an invoice is from one distributor to another distributor.

(b) A distributor may not distribute a pull-tab series unless the distributor has included with the pull-tab series the state identification stamps.

(c) A distributor must track the pull-tab games distributed and account for all pull-tab games purchased, sold, and in inventory. The inventory data maintained by the distributor must include the manufacturer's serial number, state identification stamp number, description, and form number. The distributor must explain any discrepancy or unaccounted pull-tab games.

15 AAC 160.430. Manufacturer's monthly report

The monthly report required under [AS 05.15.181](#)(e) must be submitted on a form provided by the department. The monthly report must include the following information for each pull-tab series distributed in this state by the licensed pull-tab manufacturer since the last required monthly report:

(1) the name and form number of the series;

(2) the pull-tab serial number;

(3) the state identification number;

(4) the name of the licensed pull-tab distributor to whom the series was distributed.

15 AAC 160.440. Distributor's monthly report

(a) The monthly report required under [AS 05.15.183](#)(d) must be submitted on a form provided by the department. The monthly report must include the following information for each pull-tab series distributed by the licensed pull-tab distributor since the last required monthly report:

- (1) the name and form number of the series;
- (2) the pull-tab serial number;
- (3) the state identification number;
- (4) the distribution date;
- (5) the name of the manufacturer;
- (6) the price per pull-tab;
- (7) the pull-tab count;
- (8) the expected gross pay out of prizes;
- (9) the ideal net;
- (10) the name of the permittee, operator, or licensed pull-tab distributor to whom the pull-tab series was distributed;
- (11) repealed 1/1/2003;
- (12) repealed 1/1/2003.

(b) A distributor shall maintain for three years immediately following the end of the calendar year of the sale a record of the price that the permittee or operator paid for each pull-tab series distributed. The distributor is not required to include this information in the monthly report made under [AS 05.15.183\(d\)](#), but must provide it to the department upon request.

15 AAC 160.450. Payment for pull-tabs

Within 30 days of actual delivery of a pull-tab series to a permittee, an operator on behalf of a permittee, or a receiving pull-tab distributor, the permittee, operator, or receiving distributor shall pay to the distributing distributor the full purchase price by check made payable to the distributing distributor.

15 AAC 160.460. Pull-tab tax

- (a) The pull-tab tax required under [AS 05.15.184](#) must be collected and paid to the department by the licensed pull-tab distributor that first distributes the pull-tab series to a permittee or an operator on behalf of a permittee.
- (b) At the time the licensed pull-tab distributor files the monthly report required under [AS 05.15.183](#)(d), the distributor shall pay to the department the pull-tab tax required under [AS 05.15.184](#) that the distributor collected or should have collected since the date the distributor filed its last monthly report.
- (c) The pull-tab tax required by [AS 05.15.184](#) shall be calculated on the ideal net of a pull-tab series, as established by the manufacturer, and exclusive of any additional prize that a permittee or operator may award for the last pull-tab sold in a series. A distributor may not add a prize to a pull-tab series for the last pull-tab sold from that series. Any prize awarded by a permittee or an operator for the last pull-tab sold, that is not included in the prize structure for the game as manufactured, when combined with the prize total for that pull-tab, if any, may not exceed the \$500 limit in [15 AAC 160.480](#)(a)(3), and any prize for the last pull-tab sold in a series must be reduced appropriately if the aggregate total would exceed \$500.

15 AAC 160.470. Pull-tab games

- (a) The sales price for a pull-tab may not exceed \$2.
- (b) A permittee, operator, or registered vendor may not sell a pull-tab that is marked, defaced, tampered with, in a condition that may deceive the gaming public, or in a condition that affects the chances of the gaming public winning or losing on that pull-tab. To protect the best interests of the public, a pull-tab series with a prize for the last pull-tab sold may not be combined with another series, even though the combination might be generally allowable under [AS 05.15.187](#)(c).
- (c) Unless included in the definition of "cash prize" in [15 AAC 160.995](#), a
- (1) pull-tab prize of \$50 or more shall be paid only by cash or check; and
 - (2) non-cash item may not be awarded as a prize in a pull-tab game.
- (d) A pull-tab prize of less than \$50 may be traded for other pull-tabs, but must be accounted as a cash prize when preparing a report required under [AS 05.15](#) or this chapter.

- (e) A pull-tab series conducted under one permit may not be
 - (1) combined with a pull-tab series conducted under another permit; or
 - (2) transferred to another permit.
- (f) A mechanical or electronic device may not be used to select the symbols or numbers used to determine the winners of a pull-tab game.
- (g) Pull-tabs may not be sold to the public from the original packing box or container unless the container has been designed for retail sales, and the pull-tabs have been properly mixed.
- (h) A permittee, operator, or registered vendor shall verify the identity of the individual redeeming winning pull-tabs of \$50 or more.
- (i) A permittee, operator, or registered vendor shall deface or punch all winning pull-tabs of \$50 or more immediately after redemption.
- (j) To close a pull-tab series, a permittee or operator may
 - (1) use pull-tabs from the series as door prizes;
 - (2) sell pull-tabs from the series at a discount; or
 - (3) offer a prize for the last pull-tab sold in the series.
- (k) A permittee, operator, or registered vendor may not sell pull-tabs to an employee, an officer, a director, a member in charge, an alternate member in charge, a manager of gaming, a person who has access to pull-tab game information or accounting records, or a related party. For purposes of this subsection, a related party includes a direct relative or an affiliate of a person regulated by this chapter.
- (l) A permittee, operator, or registered vendor may use a pull-tab dispensing device, with prior approval from the department, to dispense pull-tab games, but shall prohibit players from having direct access to the device.
- (m) Unclaimed coins in a coin board must be awarded to the player who buys the last ticket to close out the game, and house rules must govern distribution of any

prize behind an unclaimed coin that is awarded to the buyer of the last ticket. The winner of an unclaimed prize in a seal card must be determined from the players in the seal card game under house rules. Any prize or aggregation of prizes awarded under this subsection is subject to the limitation set out in [15 AAC 160.480\(a\)\(3\)](#).

(n) For purposes of [15 AAC 160.480\(a\)\(3\)](#), a coin in a coin board is valued at face value.

(o) A player may not have any contact with a pull-tab contained in a jar, container, or dispensing device until the permittee, operator, or registered vendor has sold and provided the pull-tab to the player.

15 AAC 160.480. Limitation on pull-tab sales

(a) A pull-tab may not be sold in this state if

(1) the pull-tab series does not contain the entire prize structure;

(2) the prize structure of the pull-tab series is available at more than one location;
or

(3) any prize or the prizes in aggregate on a single pull-tab in the pull-tab series exceed \$500.

(b) A person must be 21 years of age or older to sell, purchase, or play a pull-tab.

(c) A person may not knowingly sell a pull-tab to a drunken person, as defined in [AS 04.21.080](#).

(d) Repealed 11/10/96.

15 AAC 160.490. Withdrawal and destruction of pull-tab series

A pull-tab series must be withdrawn from sales if

(1) the permittee's prize award limitation, as identified in [AS 05.15.180\(g\)](#), has been reached for the calendar year; if the permittee is authorized to conduct pull-tab activities during the next calendar year, play of the withdrawn pull-tab series must be resumed when the new permit is received or at the beginning of the next calendar year, whichever is later;

(2) the operator stops conducting gaming activity under one permit and begins conducting gaming activity under another permit; if the operator resumes conducting gaming activities under the first permit, the withdrawn pull-tab must be returned to play immediately;

(3) the permittee terminates its contract with the operator; immediately following the date on which the permittee terminates its contract with the operator, the operator shall inventory the pull-tab series and return it, with the state identification stamps, to the permittee; if the permittee or the permittee's new operator resumes pull-tab activities, the withdrawn pull-tab series must be returned to play immediately;

(4) the pull-tabs are lost, stolen, or damaged, as long as the permittee or the operator submits the circumstances of the incident and subsequent withdrawal to the department in writing within ten days of the incident;

(5) the permittee discontinues pull-tab activity; all pull-tabs open for sale and in the possession of the permittee or the operator must be immediately withdrawn and destroyed under department supervision unless the department directs otherwise;

(6) the permittee's permit is suspended, revoked, or not renewed; all pull-tabs open for sale and still in the possession of the permittee or the operator must be immediately withdrawn and destroyed under department supervision unless the department directs otherwise;

(7) the department approves the withdrawal after receiving a written request from the permittee and determining that approval is necessary to protect the best interest of the public; the department will direct the permittee in handling the pull-tab series; or

(8) a manufacturing defect exists in the pull-tab series and the notice requirement under [AS 05.15.187](#)(d) is met within 10 days of discovery of the defect; the department will direct the disposition of the pull-tab series.

Bingo

15 AAC 160.500. Alcohol access and employee play prohibited

(a) A bingo game may not be conducted under a permit in a room, enclosure, or outdoor area where alcoholic beverages are sold, served, or consumed during the process of the bingo game.

(b) A permittee or operator may adopt house rules that prohibit an employee from playing a game of bingo. The caller of a bingo game may not play a game of bingo conducted by the permittee at the location where the caller is working.

15 AAC 160.510. Bingo card sales

(a) A permittee or an operator shall establish the price for each bingo card, set of bingo cards, or packet of bingo cards before the start of sales for a bingo game or session. A bingo card, set of bingo cards, or packet of bingo cards may not be provided to a player for free, on credit, or at a discount, and the same price per card, whether paper or electronic, must be charged to all players.

(b) A bingo card must be sold at the location of the bingo game where it is to be played. The bingo card must be sold during or immediately before the session for which the bingo card is sold. A bingo card may not be sold if the sale allows a player an advantage over another player. The bingo card may only be played during the session for which the bingo card was sold.

(c) A permittee or operator may not reserve a bingo card or unit of electronic bingo paper for use by a particular player or group of players, and must provide bingo cards and electronic bingo paper to all interested players equally, for as long as bingo cards or units of electronic bingo paper are available, except a braille bingo card may be reserved for use by a player who has a vision impairment.

(d) A permittee or an operator that had annual gross receipts in bingo that exceeded \$300,000 during the previous calendar year may not use hard cards.

15 AAC 160.520. Bingo receipting requirements

15 AAC 160.790. Depreciation

(a) Except as provided in (b) of this section, a permittee shall depreciate assets used to conduct an activity permitted under AS 05.15, using the straight-line method over a period of five, 10, or 30 years. A permittee shall use a

(1) five-year depreciation period for all personal property and computer software used in gaming activity;

(2) 10-year depreciation period for an improvement that the permittee owns and uses in a gaming activity to leased real property; if the permittee does not own the improvements, no depreciation may be claimed under this section; and

(3) 30-year depreciation period for real property that the permittee owns and uses in gaming activity.

(b) In lieu of depreciation, a permittee may expense the entire cost of an asset described in (a)(1) of this section in the year of purchase if expenses remain within the limits of [AS 05.15.160](#).

15 AAC 160.800. Promotional items

(a) A permittee, operator, or licensed pull-tab distributor may receive or distribute a free promotional item, if the promotional item has little intrinsic value and no monetary exchange value.

(b) An item with a discount that would reduce the item's price substantially below fair market value is not a promotional item for purposes of this section, and will be considered a gift under [15 AAC 160.350](#) and [15 AAC 160.954](#).

15 AAC 160.810. Net proceeds

(a) A permittee or an operator may not pay a person for services rendered to conduct gaming activities or pay gaming prizes or expenses from the net proceeds.

(b) A permittee shall keep a detailed record of disbursements from the net proceeds for three years after the record was made.

(c) A permittee that dedicates net proceeds to a scholarship for education may only award the scholarship to a resident of the state or to a person who will use the scholarship in the state.

(d) Repealed 11/10/96.

(e) Repealed 11/10/96.

(f) A permittee that dedicates or otherwise transfers net proceeds to another organization must take steps to ensure that the net proceeds are spent in accordance with [AS 05.15.150](#).

15 AAC 160.820. Bank account

(a) A permittee or an operator shall deposit money collected from gaming activities, less cash prizes actually paid, in a bank account with check-writing privileges in the name of the permittee or operator. Deposits for each bingo session or any other authorized activity under [AS 05.15](#) shall be made within three

calendar days of the close of the bingo session or within three calendar days of the conduct of any other authorized activity under [AS 05.15](#). The bank account must be separate from an account used for other money of the permittee or operator. After December 31, 2006, the bank account must include the word "gaming" in the name or title that appears on checks and statements, but existing checks maybe used until December 31, 2007.

(b) A disbursement from a permittee bank account described under (a) of this section must be made by a check that is signed by two authorized members of the permittee who are natural persons and residents of the state, except for electronic payment, through the department's website, of the annual fee under [AS 05.15.020](#)(c)(2) - (4), the additional fee under [AS 05.15.020](#)(b), or interest or penalty under [AS 05.15.095](#)(c) or (d).

(d) Interest income earned on the bank account required by (a) of this section is subject to the provisions of [AS 05.15.150](#).

(e) Notwithstanding (a) of this section, a permittee desiring a longer period in which to deposit money from an authorized activity must first apply to the department for special permission. If the permittee establishes, to the department's satisfaction, that circumstances beyond the permittee's control justify the extension, the department will grant the request.

(f) A permittee may not accept or cash a third-party personal check from a player for the purchase of bingo cards or pull-tabs, or for participation in any other gaming activity conducted under [AS 05.15](#) and this chapter.

15 AAC 160.822. Net proceeds held for more than one year

(a) A permittee that receives permission from the department under [AS 05.15.150](#)(b) to hold net proceeds for a period longer than one year must (1) account for the net proceeds and earnings each year when the permittee files its annual financial statement;

(2) spend the net proceeds and earnings within the time period specified in its application under [AS 05.15.150](#)(b) and approved by the department;

(3) notify the department of

(A) any change in circumstances or intention from the original application;

(B) when and how the net proceeds and earnings are spent; and

(4) receive additional approval from the department before implementing a new plan for the distribution of net proceeds and earnings.

(b) Until it spends the net proceeds and earnings, the permittee must retain the net proceeds and earnings in its bank account required by [15 AAC 160.820\(a\)](#).

Notwithstanding [15 AAC 160.820\(a\)](#), the permittee may deposit the net proceeds and earnings into another account in the permittee's name that is insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration Insurance Fund and is separate from an account used for other money of the permittee.

(c) If the department finds the immediate dedication of the net proceeds and earnings to be necessary to protect the best interests of the public, the department may rescind permission to hold net proceeds for more than one year and require dedication of the net proceeds and earnings.

(d) Notwithstanding the approval given by the department under (a) of this section, the net proceeds and earnings being held for longer than one year are subject to the dissolution clause required under [15 AAC 160.020](#).

(e) Net proceeds received by a permittee as a donation from another permittee are subject to the requirements of [AS 05.15.150](#) and this section.

15 AAC 160.830. Method of accounting

(a) A permittee or licensee shall use accounting principles that conform to generally accepted accounting principles (GAAP) as modified by [AS 05.15](#) and this chapter.

(b) The accounting for a gaming activity must include all gross receipts and expenses attributable to the conduct of the gaming activity. All gaming gross receipts and expenses must be matched to each gaming

(1) permit; and

(2) activity.

(c) Gross receipts and expenses from gaming activities other than bingo and pull-tabs may be reported using either the cash or modified cash method of accounting.

(d) Even though a permittee or licensee uses a different accounting method for tax, financial, or other purposes, the permittee or licensee must use the other comprehensive basis of accounting method for the accounting of revenue and expenses of charitable gaming that is required by [AS 05.15](#) and this chapter.

(e) A permittee may not pay the expenses of gaming conducted on its behalf by an operator. A member of a multiple-beneficiary permittee may not pay the expenses of gaming conducted by the multiple-beneficiary permittee.

(g) A permittee that receives a refund from a landlord, contractor, or supplier for goods or services purchased, or rental or lease expenses incurred during a calendar year, may reduce the amount of gaming expenses by the amount of the refund for that calendar year. A cash refund of expenses paid before the year-end must be received before January 31 of the year following the year to which the refund applies. A signed statement from the landlord, contractor, or supplier of the goods or services must be submitted to the department by January 31. The statement must disclose the amount of the refund and confirm that the price of goods or services in subsequent years will not be increased to recover the refund and that there is no agreement or expectation for repayment or offset of the refund.

(h) A permittee may request in writing an extension of the January 31 deadline for receiving the refund only if the extension does not prevent the timely filing of an annual report. An extension under this subsection is not the basis for issuance of a permit or a temporary permit.

(i) Gross receipts and expenses not reported as a result of a change to the accrual method of accounting under (a) of this section will not be considered by the department in determining compliance with [AS 05.15.160\(c\)](#) and (d) in the year immediately before the change.

(j) A permittee may report pull-tab inventory based on the number of sealed pull-tab series in the permittee's possession.

15 AAC 160.835. Net proceeds and unauthorized expenses

(a) Unauthorized expenses include both expenses that are

(1) not authorized by [AS 05.15](#) or this chapter; and

(2) otherwise authorized but that exceed the total annual amount of authorized expenses allowed under [AS 05.15.160](#).

(b) An operator and a multiple-beneficiary permittee must distribute to a permittee all net proceeds of gaming activity. Except as provided in [15 AAC 160.830\(g\)](#), a permittee or licensee may not incur expenses that result in net proceeds being less than 10 percent of adjusted gross income on an annual basis from gaming activity other than pull-tabs, and 30 percent of adjusted gross income on an annual basis from pull-tab activity.

(c) A permittee that is the victim of a theft or embezzlement that will result in a recovery of a known amount from a bond or court-ordered restitution confirmed by the insurer or court before the date of the annual report due under [AS 05.15.080\(b\)](#) or [AS 05.15.145\(d\)](#) shall

(1) record the payment due under the bond or restitution as a gaming asset;

(2) offset the amount of the theft or embezzlement loss with a credit in the amount of the recovery from the bond or restitution; and

(3) deposit amounts collected from the recovery from the bond or restitution into the bank account required by [15 AAC 160.820](#) and disburse the amounts within 30 days as a deferred payment of net proceeds to the permittees originally affected by the theft or embezzlement.

(d) For purposes of [15 AAC 160.880\(a\)\(20\)](#), the deferred payments under (c) of this section shall be treated as a timely distribution of net proceeds to a permittee.

(e) Notwithstanding (a)(1) and (2) of this section, all expenses incurred in activity under [AS 05.15](#) and this chapter must be included in reports filed under [AS 05.15.080](#), 05.15.083, and 05.15.087.

15 AAC 160.840. Permittee quarterly report

(a) The quarterly report required under [AS 05.15.080](#)(a) must be on a form provided by the department and must include all information requested on the form.

(b) A permittee that utilizes a multiple-beneficiary permit shall file a quarterly report separate from the quarterly report filed by the multiple-beneficiary permittee.

15 AAC 160.850. Permittee annual report

(b) A permittee that contracts with an operator to conduct gaming activities shall include on the annual report required under [AS 05.15.080](#)(b) the total amount of gross receipts and the total amount of net proceeds that the permittee received from the operator from gaming activities.

(c) A permittee that utilizes a multiple-beneficiary permit to conduct gaming activities shall include on the annual report required under [AS 05.15.080](#)(b) the total amount of gross receipts and the total amount of net proceeds that the permittee received from the activities conducted under the multiple-beneficiary permit.

15 AAC 160.860. Grace periods for reports and annual review of financial records

(a) The department may grant to a permittee or licensee one 30-day grace period to file a report or annual review of financial records required under [AS 05.15](#) or this chapter. The department will not grant more than one grace period for the report or annual review of financial records.

(b) Except for good cause shown, a request for a grace period must be filed with the department in writing on or before the due date for the report or annual review

of financial records. The report or annual review of financial records must include a complete statement of the reason for the request. For the purposes of this subsection, "good cause" means a reason outside of the control of the permittee or licensee as determined by the department in its discretion.

(c) If the department grants a grace period under this section, then during the grace period, the department will not

(1) deny, suspend, or revoke the permittee's permit or the licensee's license for failing to file the report or annual review of financial records by the due date; or

(2) consider the corresponding report delinquent under [AS 05.15.095\(b\)](#).

(d) If the department grants a grace period under this section, the permittee or licensee shall attach a copy of the department's grace period letter to the corresponding report or annual review of financial records when the report or annual review of financial records is filed.

(e) The department will not grant a grace period to pay a fee or tax required under [AS 05.15](#) or this chapter.

15 AAC 160.870. Retention of records

(a) Unless otherwise provided in [AS 05.15](#) or this chapter, a permittee or an operator shall retain all records and supporting documents pertaining to gaming activities authorized under [AS 05.15](#) for three years from the later of the due date or filing date of the annual report on which the income, deduction, payment of, or use of net proceeds is claimed.

(b) A manufacturer or distributor shall maintain all records and supporting documents pertaining to gaming activities authorized under [AS 05.15](#) for three years from the later of the due date or filing date of the last monthly report for the calendar year in which the record or document was made.

Article 9

Suspension and Revocation

15 AAC 160.880. Suspension or revocation of a permit, license or registration

(a) The department may suspend or revoke a permit, license, or registration under [AS 05.15](#) if the permittee, licensee, or registered vendor

- (5) alters, or allows to be altered, a permit, license, or registration issued under [AS 05.15](#);
- (6) allows another person to use a permit, license, or registration issued under [AS 05.15](#), except when a permittee contracts with a licensed operator or registered vendor as authorized under [AS 05.15](#) or this chapter;
- (7) violates or negligently allows an employee to violate a provision of [AS 05.15](#) or this chapter;

(b) The department will issue a notice of suspension or revocation to a permittee, licensee, or registered vendor in writing. In the notice, the department will include the grounds for the intended suspension or revocation, the legal authority for the intended action, and statement of the opportunity to request an informal conference within 30 days after the mailing of the notice. Within 30 days after the department

mails the notice, the permittee, licensee, or registered vendor may request an informal conference by filing a brief statement why the person is aggrieved by the intended suspension or revocation. If the permittee, licensee or registered vendor fails to file a request for informal conference, the noticed suspension or revocation is effective 30 days after the date of mailing to the permittee, licensee, or registered vendor. A permittee, licensee, or registered vendor aggrieved by the result of an informal conference decision may request a formal hearing under [15 AAC 160.910](#). Notwithstanding the filing of a request for formal administrative hearing, a person or entity may not engage in conduct regulated by [AS 05.15](#) or this chapter beyond the effective date of the suspension or revocation unless the suspension or revocation has been administratively or judicially stayed.

(c) Upon suspension or revocation of a permit, license, or registration, or upon agreement requiring a temporary or permanent closure of a gaming location, the department shall post a notice of the action on the premises.

15 AAC 160.885. Immediate revocation

(a) The department may immediately revoke a permit, license, or registration issued under [AS 05.15](#) and this chapter if

(1) a permittee or licensee fails to comply with the requirements of [AS 05.15](#) and this chapter for the distribution of net proceeds or limitations on expenses;

(2) a permittee or licensee fails to file timely a report required by [AS 05.15](#) or this chapter;

(3) a permittee is not a municipality or qualified organization;

(4) a permittee pays gaming taxes, prizes, or expenses with net proceeds; or

(5) a registered vendor fails to pay to a permittee the statutorily required percentage of the ideal net upon delivery of a pull-tab series to the registered vendor.

(b) The department will use the following procedures when immediately revoking a permit, license, or registration:

(1) the department will send to the permittee, licensee, or registered vendor a written notice of intent to revoke immediately; the notice must allege a violation of one or more of the provisions listed in (a) of this section and cite the evidence on which the department relied to determine that the violation had occurred;

(2) the department will provide copies of all documentary evidence on which it relied in reaching its determination;

(3) the notice of intent to revoke immediately shall provide the permittee, licensee, or registered vendor a period of time to show cause why the department should not immediately revoke the permit, license, or registration; the time allowed must be not less than five days nor more than 20 days from the day that the permittee, licensee, or registered vendor receives the notice; the permittee, licensee, or registered vendor may submit evidence as part of its response;

(4) if the permittee, licensee, or registered vendor does not file a response to the notice of intent to revoke immediately, the revocation becomes effective after expiration of the period of time allowed for response in the notice;

(5) if the permittee, licensee, or registered vendor files a response to the department's notice of intent to revoke immediately, an appeals officer within the tax division of the department who did not participate in the preparation of the original notice shall review the allegations, evidence, and response; the appeals officer shall issue a written decision that either affirms or overrules the immediate revocation; the appeals officer may affirm for the reasons expressed in the notice or for any reason supported by the record; if affirmed, the immediate revocation becomes effective five days after the date of the decision issued by the appeals officer; if the record does not support a determination that the permittee, licensee, or registered vendor violated [AS 05.15](#) or this chapter as alleged, or if the appeals officer determines that immediate revocation is not warranted, the appeals officer shall overrule the immediate revocation;

(6) regardless of whether the permittee, licensee, or registered vendor files a response to the notice of intent to revoke immediately, the permittee, licensee, or registered vendor has 15 days from the date that the immediate revocation becomes effective to appeal the revocation to a formal hearing under [15 AAC 160.910](#); notwithstanding the filing of an appeal, the permittee, licensee, or registered vendor may not engage in an activity requiring a permit, license, or registration beyond the effective date of the department's action unless the revocation has been administratively or judicially stayed.

15 AAC 160.886. Renewal of a permit, license, or registration

(a) The department may deny an application for renewal of a permit, license, or registration on the same grounds for which the permit, license, or registration could be revoked or suspended under [AS 05.15](#) or this chapter.

(b) If it appears to the department that a permittee, licensee, or registered vendor may not be in compliance with the requirements of [AS 05.15](#) or this chapter for the year preceding the year for which a renewal of a permit, license, or registration is or may be sought, the department may require that an applicant or prospective applicant submit supplemental information before the department acts on any renewal application.

(c) The department shall use the following procedures before denying an application for renewal of a permit, license, or registration:

(1) the department will send the permittee, licensee, or registered vendor a written notice of intent to deny the application for renewal; the notice must state the grounds for denial and cite the evidence on which the department relied to reach this conclusion;

(2) the department will provide copies of all documentary evidence on which it relied in reaching its determination;

(3) the notice of intent to deny renewal must provide a period of time for the permittee, licensee, or registered vendor to respond to the department's reasons for denial; the time allowed must be not less than five days nor more than 20 days from the day the permittee, licensee, or registered vendor receives the notice; the permittee, licensee, or registered vendor may submit evidence to the department as part of its response;

(4) if the permittee, licensee, or registered vendor does not file a response to the notice of intent to deny renewal, the denial becomes effective on the later of January 1 of the year for which renewal is sought or the expiration of any temporary permit or license issued to the applicant;

(5) if the permittee, licensee, or registered vendor files a response to the department's notice of intent to deny renewal, the department will provide for a review of the allegations, evidence, and response by an appeals officer in the tax division of the department who did not participate in the preparation of the original notice; the appeals officer will issue a written decision that either affirms or overrules the denial; the appeals officer may affirm for the reasons expressed in the original denial or for any reason supported by the record; if the record does not support a conclusion that the permittee, licensee, or registered vendor violated [AS 05.15](#) or this chapter as alleged, or if the appeals officer determines that denial of renewal is not warranted, the appeals officer shall overrule the denial; if affirmed, the denial becomes effective on the later of January 1 of the year for which renewal is sought or the expiration of any temporary permit or license issued to the applicant;

(6) regardless of whether the permittee, licensee, or registered vendor files a response to the notice of intent to deny renewal, the permittee, licensee, or registered vendor has 15 days from the date the denial becomes effective to appeal the denial to a formal hearing under [15 AAC 160.910](#); notwithstanding the filing of an appeal, the permittee, licensee, or registered vendor may not engage in an activity requiring a permit, license, or registration beyond the effective date of the department's action unless the denial has been administratively or judicially stayed.

(d) Nothing in this section limits the ability of the department to revoke or immediately revoke a permit, license, or registration that has been renewed.

15 AAC 160.890. Disposition of money upon suspension or revocation

Upon suspension or revocation of a permit, operator's license, or registration, the permittee, operator, or vendor may only withdraw gaming money

(1) to pay for authorized expenses that were accrued before the suspension or revocation; or

(2) for dedication of net proceeds in a manner consistent with those stated on the permit application.

15 AAC 160.900. Notice of criminal conviction

An applicant, permittee, licensee, or vendor, who is convicted of a violation described under [AS 05.15.105](#) or who, in connection with gaming activity, knowingly employs a person who is convicted of a violation described under [AS 05.15.105](#) shall immediately notify the department in writing of the conviction.

Article 10 **Hearings**

15 AAC 160.910. Request for formal administrative hearing

(a) A person, municipality, qualified organization, applicant, permittee, registered vendor, or licensee may file a request for a formal hearing to obtain administrative review of an informal conference decision by the department that

(c) Within 15 days after receiving the request, the department will forward the request, along with a copy of the underlying department decision and the record on which the department relied to support the decision, to the Department of Administration, Office of Administrative Hearings.

(d) Notwithstanding the filing of a request for formal administrative hearing, a person or entity may not engage in conduct regulated by [AS 05.15](#) or this chapter if

the department has denied, suspended, or revoked the person's or entity's permit, license, or registration, unless the denial, suspension, or revocation has been administratively or judicially stayed.

(e) The administrative law judge will issue a stay upon a determination that the party seeking the stay is likely to prevail on the merits. The administrative law judge may conduct a hearing to determine the need for a stay and may impose reasonable additional requirements upon a party seeking a stay, as determined necessary to further the public interest.
